

ISO 27001:2017 standard demonstrates our commitment to our customers

, 6. July 2020

At adesso Turkey, we are committed to deliver best quality of services to our customers while providing the data and security assurance they expect in doing business with us. Obtaining compliance with the ISO 27001:2017 standard demonstrates again this commitment to our customers.

ISO 27001 is the internationally recognized specification for an Information Security Management System (ISMS), and it is one of the most popular standards for information security. The most recent version of the standard is ISO / IEC 27001:2013 and implements improvements made in 2017 as well. It includes requirements on how to implement, monitor, maintain, and continually improve an Information Security Management System (ISMS) within the context of the organization and its business needs.

adesso Turkey is officially ISO 27001:2017 , as of July 6th, 2020.
